A Letter from our Superintendent

Dear Future Catholic School Family,

In our Diocese of Dallas Catholic Schools, our commitment to education is rooted in the belief that every child is precious and deserves a quality education, grounded in our Catholic faith.

It is a privilege to be entrusted with the joyful mission of helping each child become a Saint and a Scholar. Using this mission as our foundation, school leaders and teachers are committed to working with you as the primary educators of your children to nurture their spiritual, emotional, and academic growth.

Our Saints and Scholars Curriculum Standards run throughout all we do, infusing rigor into our academics, and Catholic Social Teaching into our understanding of the world. It is an invitation to move beyond worksheets and find deep intellectual formation in preparation for college and career, and a love for God and neighbor alive in our actions.

The decision ahead of you is about much more than choosing a school - it is about finding a community that will nurture, form, guide, and love your child just as you do. My family has found this home within our Catholic schools, and I believe that you will, too.

Sincerely,

Verónica Alonzo

Verónica Alonzo, Ed.D.
Acting Superintendent

Why Catholic Education?

Education is about more than test scores and academic outcomes. Catholic schools provide an exemplary education for students of all faiths in a nurturing environment that supports each child's development as a whole person.

1. Your child will be part of a community.

We believe that young people flourish when they are part of a community. Our Catholic schools are made up of students of diverse faiths, races, ethnicities, talents, and interests. With 37 different Catholic schools from grades PreK-12 in Dallas and beyond, students can find a community that truly feels like home.

2. Your child will receive an exemplary education.

A Catholic education unlocks every student's potential, and forms students to be scholars who embrace a love of learning. Our students consistently outperform their peers across the state on ACT and College Placement tests. Across the nation, Catholic schools students demonstrate higher academic achievement than students from similar backgrounds in public schools. When we prioritize robust human formation instead of placing pressure on testing outcomes, our students thrive.

3. Your child will be embraced as a whole person, not simply ranked by test scores or grades.

Our Catholic school curriculum and culture are built on the understanding that children are more than their academic success. We want our students to be both saints and scholars- saints who love God and care for one another, and scholars who cultivate a love for learning and explore their unique passions.

4. With smaller classes, your child will be known and supported.

Smaller schools and classes give our Catholic school students a more personalized learning experience. Students can flex their leadership muscles through range of clubs and activities, student-led learning, and local and national academic, artistic, and athletic competitions. Teachers can more easily identify opportunities for students to receive academic enrichment, reading and math support, or other learning interventions, and maintain open communication with parents.

5. Your child's physical and mental wellbeing will be a priority every day.

Student health and safety have never been more important. Each of our Catholic schools has a detailed Crisis Management Plan in place to keep students and teachers secure, and by 2023, two adults on every campus will be trained in Youth Mental Health First Aid to care for students' mental and emotional needs.

Grades: PK3 - 8th Grade | Student-Teacher Ratio: 16 to 1 | Current Enrollment: 320

Mission

At All Saints Catholic School, we believe each child should become the person God intended him or her to be. We partner with parents and community leaders to develop the unique God-given gifts and capabilities of each student, so they may be used in the best possible service of others and in the fulfillment of the mission of the Church Universal. We do this by a commitment to excellence. By the time a student graduates from All Saints Catholic School, they will have achieved: Excellence in Faith, Excellence in Academics, Excellence in Service, and Excellence in Character.

Why All Saints?

- All Saints Catholic School is a three-time recipient of the Blue Ribbon.
- In the last eight years, nine of our former students have graduated as Valedictorians and Salutatorians from our local Catholic High Schools.
- All Saints is the only elementary Diocesan school offering coding and robotics as a core class in a dedicated Innovation Lab for all grades weekly.
- All Saints Catholic offers Mandarin and Spanish to all of our students, and also offers Honors Math and Honor English Language Arts programs.

Mission

To provide students with a quality, faith-based education in a safe and nurturing environment. The school strives to witness to God's love and promote a Christian community, integrating religion and life.

Why Saint Bernard of Clairvaux Catholic School?

- SBS is proud to have served the East Dallas community for more than 75 years! Tradition unites the St. Bernard community across generations, and makes students proud to be part of the Bruin family. Our traditions root us in our Catholic values and support a beautiful school culture founded on shared beliefs and common goals.
- We believe that every young person has unique gifts and talents to share with the world, and by providing over 16 extracurricular activities and 12 elective courses, St. Bernard gives students the opportunity to cultivate their strengths and explore new ones.
- We believe that our graduates should be equipped with the knowledge and skills to pursue an education in any field they choose. With the addition of our new SmartLab along with our existing Robotics Lab and Maker Space, SBS offers a top tier STEM education! Whatever careers our Bruins choose, they will have a strong foundation of 21st century capabilities.

Mission

St. Pius X School fosters the Catholic commitment to know, love, and serve the Lord as reflected in our Parish motto, "Love One Another." Our mission is to recognize the value of each student and to challenge the individual to be a responsible, self-disciplined, life-long learner in the service of the Church and society.

Why St. Pius X Catholic School?

- It's a Family Tradition...SPX School continues to have a rich tradition with second and 3rd generation students attending. We proudly display each graduating class composite throughout our main hallway (1961-present) as well as multi-generation family portraits in our "Family Tradition" Wall.
- The vast diversity shown throughout our school community. We are truly a melting pot of many serving together to love One Another in His name.
- SPX has continued the tradition of our Prayer Partners, which pairs the 2nd and 8th grade students, as it is sacramental years for both grade levels. This tradition was started in 1988 and each year both grade levels

ADDITIONAL INFORMATION

ACCREDITATION

All schools are accredited through the Texas Catholic Conference of Bishops Education Department (TCCB ED) and several schools have an additional accreditation through Cognia and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). Cistercian Preparatory is accredited through the Independent School Association of the Southwest (ISAS).

DALLAS PAROCHIAL LEAGUE

Elementary Schools in the Diocese of Dallas participate in athletics through the official athletic league of the Diocese known as the Dallas Parochial League (DPL). Each school selects the sports in which its students in 5th-8th grade can participate based on capacity and interest. For more information on the DPL, visit www.dallasparochialleague.com or contact your school.

FACTS MANAGEMENT

Many schools use all or a portion of the FACTS System to simplify the application, enrollment, payment, and financial aid process for families. FACTS is made up of three platforms:

- FACTS Grant & Aid: Apply for Tuition Assistance for individual schools or through HALO
- FACTS Tuition Management: Set up tuition schedule and make payments
- FACTS Student Information System: Apply for admission and enroll in a school

Every school's application process varies slightly. Visit school websites for application information.

TUITION ASSISTANCE

In addition to the tuition assistance offered by each of our schools, The HALO Initiative provides financial aid to eligible students in Diocesan Catholic Schools. Apply through FACTS Grant & Aid, and visit www.thehaloinitiative.org for more information.

APPLICATION DATES

- November 1, 2022 – January 5, 2023: Priority Round (open to currently enrolled families)
- January 6, 2023 – April 1, 2023: Regular Round (open to all families)

ROLLING ADMISSION

Many of our Catholic schools offer Rolling Admission, which means that after the enrollment deadline has passed, they will continue to accept new applicants as space allows.

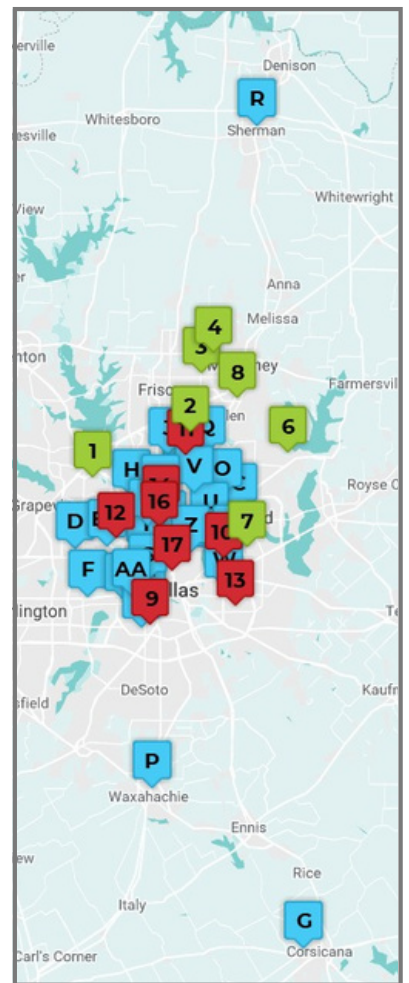

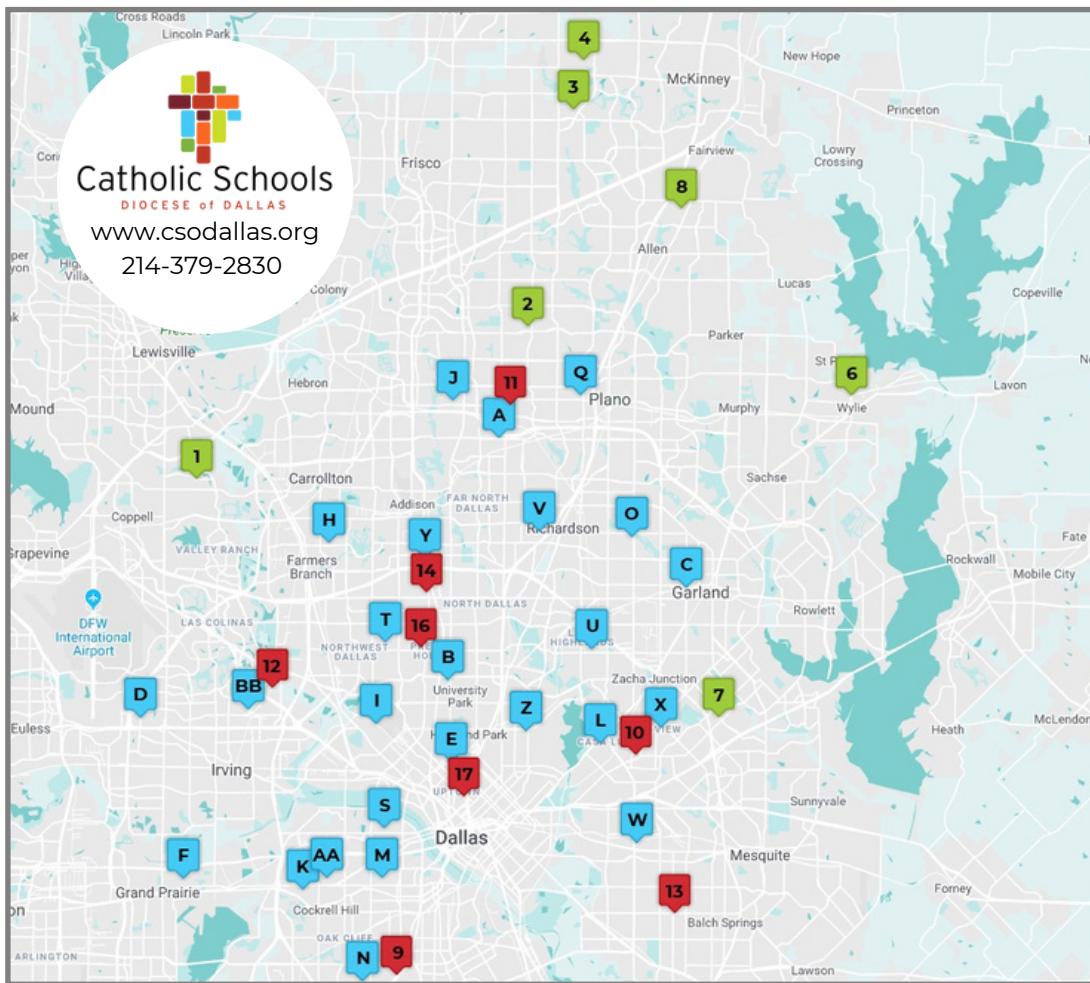

ACADEMIC TESTING

All elementary students are tested with the Iowa Assessment (formerly called ITBS), which measures academic progress and evaluates student mastery of skills and learning standards. Students also take the CogAT or cognitive abilities test, which estimates students' learned reasoning and problem-solving skills.

Some schools use additional instruments such as STAR Reading, easyCBM, DIBELS, and ERB Comprehensive.

UNIFORMS

All schools require that students wear a uniform. Each school's uniform requirements, including information about where to purchase uniform pieces, can be found on the school website.
