FORMING SAINTS AND SCHOLARS

Dear future Catholic school family,

In our Diocese of Dallas Catholic Schools, our commitment to education is rooted in the belief that every child is precious and deserves a quality education, grounded in our Catholic faith.

It is a privilege to be entrusted with the joyful mission of helping each child become a Saint and a Scholar. Using this mission as our foundation, school leaders and teachers are committed to working with you as the primary educators of your children to nurture their spiritual, emotional, and academic growth.

Our Saints and Scholars Curriculum Standards run throughout all we do, infusing rigor into our academics, and Catholic Social Teaching into our understanding of the world. It is an invitation to move beyond worksheets and find deep intellectual formation in preparation for college and career, and a love for God and neighbor alive in our actions.

The decision ahead of you is about much more than choosing a school- it is about finding a community that will nurture, form, guide, and love your child just as you do. My family has found this home within our Catholic schools, and I believe that you will, too.

Sincerely,

A handwritten signature in black ink that reads "Verónica Alonzo".

Verónica Alonzo, Ed.D.
Acting Superintendent

THE ROAD TO COLLEGE AND HEAVEN STARTS HERE.

We believe that enrolling in a Catholic School is more than just choosing a better education: It is about choosing a better life. As such, we remain committed to excellence across Academics, Community, Catholic Formation, Facilities, and Finances. Because of this, our Diocese of Dallas Catholic Schools and the students we serve are thriving.

We are Nationally Recognized.

We are proud to have been awarded six Blue Ribbon Awards in the past 10 years.

We are Growing.

We have seen a 3% enrollment increase at the start of the 2022-2023 from previous year. In addition, we're seeing more new students than ever before enrolling in our Catholic schools.

We are Forming Saints and Scholars.

Our new Saints and Scholars Curriculum Standards integrate Catholic Social Teaching and rigorous instruction throughout every aspect of learning to prepare students for college and career success.

We are Prioritizing Health and Safety.

By 2023, all campuses will have completed training in Youth Mental Health First Aid.

We are Focused on Leadership Development.

Our new Aspiring Leaders Academy provides formation for current faculty and staff interested in a future in school leadership.

We are also proud to be host to thousands of educators from across the country for NCEA 2023, April 11-13, 2023 at the Irving Convention Center.

Mission

Bishop Dunne Catholic School empowers each student to explore, inquire, lead, and serve through a college preparatory education in a joyful community of faith.

Why Bishop Dunne?

- Bishop Dunne has authentic diversity: racial, ethnic, socioeconomic, and cultural that reflects the real world and forms compassion and understanding.
- Bishop Dunne is smaller: this provides a true family-like atmosphere, a safe and nurturing environment in which to learn and grow with caring teachers, and great opportunities to participate in athletics and the arts.
- Bishop Dunne has advanced learning options with The Collegiate Institute (see program highlight), the AP Capstone™ Diploma Program, and independent study opportunities in the GIS program.

The Collegiate Institute

The Collegiate Institute at Bishop Dunne is the only Dallas Catholic high school program where students can earn an Associate of Science Degree (60 college credits) at no additional cost. With the exception of 2-3 summer classes, all courses take place on our campus with our instructors.

Mission

To develop leaders who are critical thinkers and effective communicators, committed to service and rooted in faith.

Why John Paul II?

- The John Paul II High School community is dedicated to faithfully forming the whole child into a servant leader of tomorrow. Our Cardinal Family recognizes the unique gifts of each student and inspires them to soar - achieving their full potential while glorifying Jesus Christ.
- Students at JP II are encouraged to participate in multiple co-curricular activities. Over 95% of our student population is currently involved in one of our 19 athletic teams and or our 45 school clubs and organizations
- As a college preparatory high school, JP II currently offers 24 AP and 6 Dual Credit courses. Students at JP II, pass AP Exam's at a rate of 75%, 15% over the national average.

A school grounded in the Catholic tradition, we strive to support the spiritual formation of all members of the JP II community in a manner that is both inviting and respectful of each person's faith tradition and personal experience. As such, Campus Ministry programs are open to persons of all faiths and denominations. The Office of Campus Ministry and Catholic identity coordinates and oversees a variety of opportunities for students to enrich and celebrate their faith, including grade-level spiritual retreat days, campus-wide service projects, weekly praise and worship services, daily mass, all school mass, penance services, and eucharistic adoration.

Mission

Notre Dame School, recognizing that each person is created in the image of God, educates students with developmental disabilities, and facilitates their integration into society.

Programming

The Notre Dame Upper School emphasizes functional academics with the addition of vocational training, job site placement and independent living components.

Bridges Program (Ages 15-18)

The Bridges Program is designed to meet the unique academic and social needs of adolescents with developmental disabilities.

- Students explore their career interests and begin to develop the independent living skills that will help them to live and work in their communities.
- They participate in community training and job exploration at off campus sites at least twice a week. In addition, they continue with their functional academics in reading, math and social studies during the morning.

Vocational Program (Ages 18 - 22): Preparation for Independent Living

- Vocational students are prepared for independent living through a comprehensive functional curriculum that includes independent living skills, functional academics and targeted job training based on the student's interests and abilities.
- The vocational training program is supplemented by functional academic training in reading, math, and daily living skills training.
- Students work off-campus in both paid and non-paid job internships.

Athletics Programs

Students can choose to participate in any of the following activities which include team and individual sports as part of the local Special Olympics program: volleyball, flag football, basketball, bowling, dance, karate

Mission

Jesuit College Preparatory School of Dallas offers an excellent, Catholic education in the classical Jesuit tradition to form a community of men with high moral principles who are dedicated to serving others.

Why Jesuit?

- An academic curriculum designed to prepare graduates for the highest levels of post-secondary study.
- A grade-level and college counseling program focused on meeting the unique and multi-faceted needs of each individual student.
- Through academic pursuits, extracurricular activities, spiritual formation, and service to others, Jesuit is committed to the formation of the whole person.

Service and Justice

The community service and social justice program is a cornerstone in the educational ethos at Jesuit Dallas. As part of the most comprehensive service program in Texas, our students engage with local, national, and international partners to create formative experiences that compel our students to carefully consider the intersections of faith and justice and engage in meaningful encounters with those experiencing marginalization.

MORE INFORMATION

RAVENNA ONLINE APPLICATION

Ravenna HUB is an online tool that allows families to apply for admissions to as many schools as you choose. For any of our Catholic schools that use Ravenna, families can submit required application materials, track application status, and view decisions all from the same account. You can create an account at www.ravenna-hub.com, or by following the unique Inquiry Form links found on individual schools' admissions webpages.

ISEE ADMISSIONS TEST

The ISEE (Independent School Entrance Exam) guides schools and families on admissions decisions. It may be taken at any location in the metroplex, and students applying to multiple schools should include school codes for all of their schools of interest so their results can be shared. Visit www.iseetest.org for more information and to register.

FACTS GRANT & AID

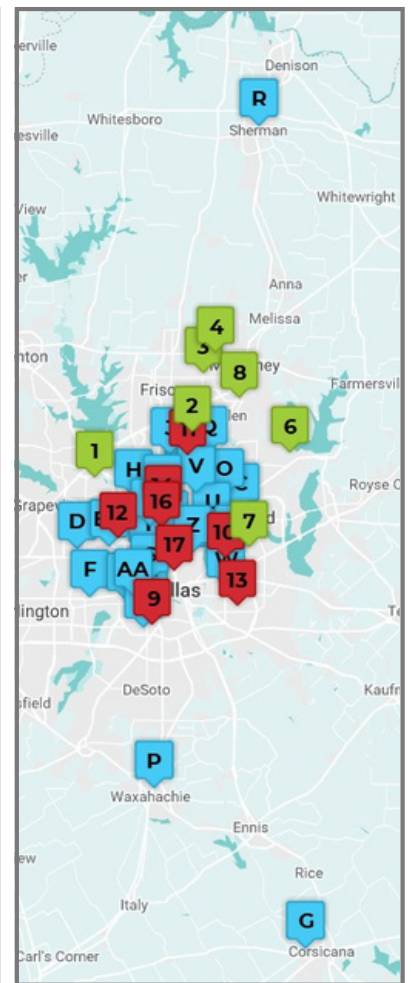

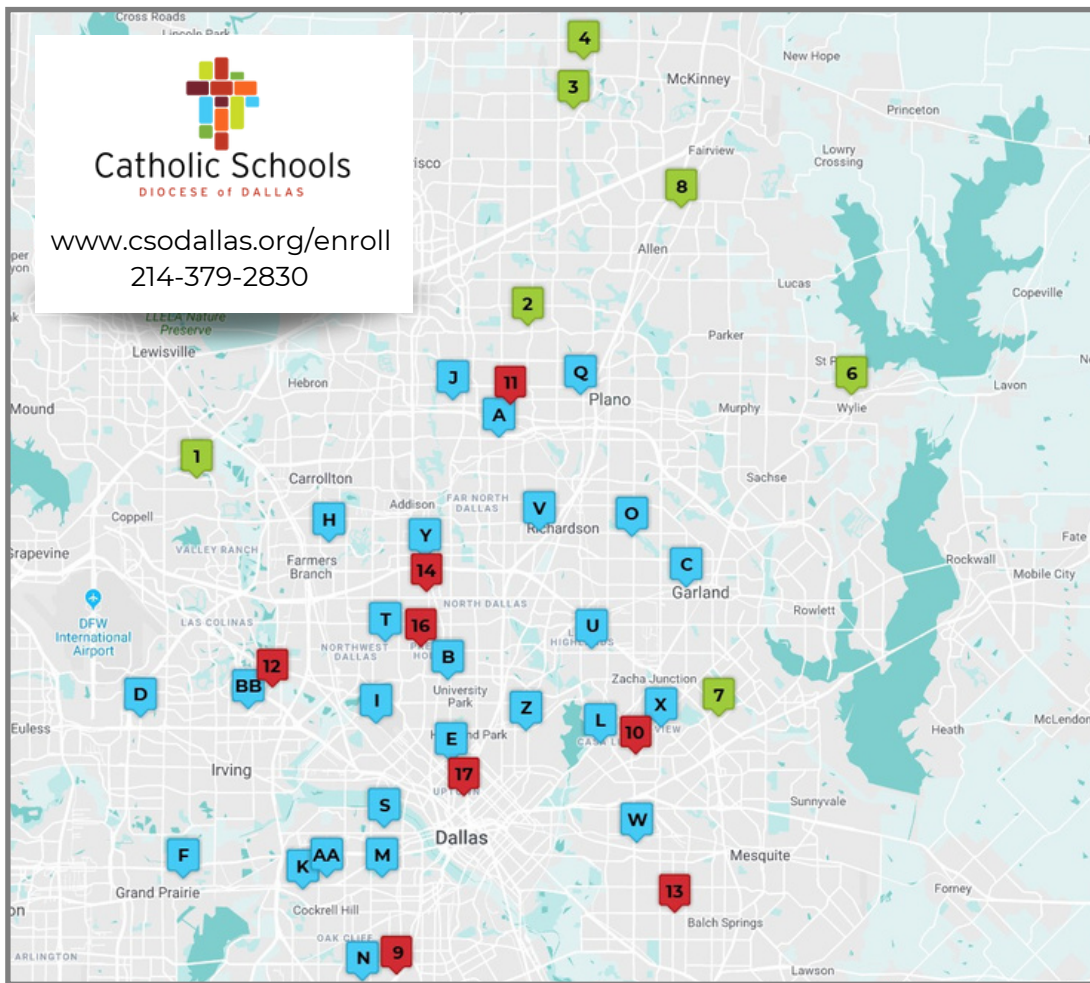

The FACTS Grant & Aid system is used by many schools to determine family financial need. Families create an account, complete an application, and upload required tax documents. For each student, families are asked to select a "primary" school, as well as any other schools where they would like to be considered for aid. Contact your school for more information.

THE HALO INITIATIVE

Students at diocesan schools (Bishop Dunne, Bishop Lynch, and JP II) are eligible for Financial Aid through The HALO Initiative, which coordinates local funding for Diocese of Dallas Catholic Schools. The application for tuition assistance opens in FACTS on November 1, 2022. Students currently enrolled in a Diocesan Catholic School may apply by January 5, 2023 to be considered for priority funding. All students including new students must apply by April 1, 2023 to be considered.

To learn more, visit www.haloinitiative.org.
